

Year 2 – Puppets

We are learning about:

- different puppets, their features, how they are made and what materials are used

We are learning to:

- . Use a template and work with fabric to create, make and decorate a finger puppet
- . to choose my favourite puppet, draw and label it
- . to design my own glove puppet
- . use different sewing techniques when creating a puppet.
- . to make and decorate a puppet, then share and demonstrate it
- . evaluate my design

Vocabulary:

Materials, puppets, create, decorate, explore, design, fabric, techniques.

Different colours of materials used for the flesh / or animals from a range of countries to represent diversity of the class.

Highlight the purpose for the product linked to Christian celebrations.
