

# **Year 3 – Spring 1**

## **Judaism:**

### **God and the Torah**

#### **We are learning to:**

- To demonstrate how the Genesis story of creation can be interpreted literally or as creation myth.
- To identify some of the questions as well as answers within the Genesis narrative of creation.
- To research a story within the Tenakh and what it tells us about Jewish belief and practice.
- To describe the main Jewish beliefs about God and the Torah, using the correct technical terminology.
- To reflect on Jewish ideas about the existence and nature of God and how these compare with their own beliefs.
- To express their own views about creation making reference to the ideas and beliefs within the Genesis narrative.
- To analyse the Ten Commandments and evaluate their application and significance to daily life in society.

#### **Vocabulary**

Judaism, Jewish, Torah, Tenakh, Synagogue
