

# MATHS BOOKS FOR SALE AT A BARGAIN PRICE

*These books currently retail new from £8.49 - £9.99 but you can bag a bargain at £4 per book. Limited stock so don't miss out.*

*We have surplus maths books for sale. They follow the 'mastery approach' we use in school, so would be ideal for tutoring or to support and enrich what is taught at school by consolidating school work at home. A number of text books and workbooks, for certain year groups, are available on a first come first served basis.*

Books available are:

- Year 1 Textbook 1A - Year 1 Textbook 1B
- Year 2 Textbook 2A - Year 2 Textbook 2B - Year 2 Workbook 2B
- Year 3 Textbook 3B - Year 3 Workbook 3B
- Year 4 Textbook 4B - Year 4 Workbook 4B

Book (A) covers half of the year's maths topics and book (B) the rest of the year. Workbooks (where available) provide written tasks to support the textbooks.
