

Year 2 - Autumn

Explore and Draw

We are learning:

- That artists explore the world, seeing things around them in new ways, and bring things back to their studios to help them make art.
- That we can go into our own environments, even when they are very familiar to us, and learn to see with fresh eyes and curiosity.
- That we can use the things we find to draw from, using close observational looking.
- That we can explore and use art materials, be inventive with how we use them, taking creative risks and enjoying accidents as well as planned successes.
- We can use the shape of the page, and the way we arrange elements on the page, to create compositions which we like.
