

Year 3 – Spring Term - Photograph Frames

We are learning about:

- Free-standing sturdy structures
- Designing, making and evaluating our own Photograph Frames

We are learning:

- To investigate free-standing structures and how they are made stable.
- To find different ways of strengthening and joining paper and card.
- To investigate ways of making stable free-standing structures.
- To be able to design a photograph frame for a particular purpose.
- To be able to make a stable photograph frame from a design.
- To be able to evaluate a finished product.

Vocabulary:

free-standing, stable, sturdy, photograph, frame
