

# Year 3 – Science (**Chemistry**) - Spring 2 - Rocks

## We are learning about:

**Compare** and group together different kinds of **rocks** on the basis of their appearance and simple **physical properties**.

Describe in simple terms how **fossils** are formed when things that have lived are trapped within rock.

Recognise that **soils** are made from rocks and **organic matter**.

## We are learning to:

Setting up simple practical enquiries,

Making systematic and careful observations

Reporting on findings from enquiries, including oral and written explanations, displays or presentations of results and conclusions.

Identifying differences, similarities or changes related to simple scientific ideas and processes.

### **Vocabulary:**

Compare

Rocks

Physical properties

Fossils

Soils

Organic matter
