

Art - Year 3 - Summer 1

Telling Stories Through Drawing and Making

- I have seen how artists are inspired by other artists often working in other artforms.
- I have understood how artists sometimes use sketchbooks to understand and explore their own response to an artist's work.
- I can use my own sketchbook to explore my response to the chosen book/film, making visual notes, jotting down ideas and testing materials.
- I can make a sculpture using materials to model or construct which is inspired by a character in a book or film.
- I can reflect and share how the way I made my sculpture helps capture my feelings about the original character.
- I can enjoy looking at the sculptures made by my classmates and see ways in which they are different and similar to each other and to the original character.
- I can share my feedback about my classmates' work
