

# Autumn 1 - Year 4

## All around the World

### We are learning to:

- Locate the world's countries, using maps to focus on South America concentrating on environmental regions & key physical & human characteristics.
- Identify the position & significance of latitude, longitude, equator, northern hemisphere, southern hemisphere, arctic & Antarctic circle, the prime/Greenwich meridian & time zones.
- Use key vocabulary. (see list below)
- Use maps, atlases, globes & digital/computer mapping to locate countries & describe features studied.

### Vocabulary:

- **county, country, town, coast, physical features, human features, mountain, hill, river, sea, climate,**
- **tropics, tropical, latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer & Capricorn, Arctic & Antarctic Circle,**
- **sketch map, map, aerial view, feature, annotation, landmark, distance, key, symbol, urban, rural, population, coordinates**
