

## ART - Summer 1 – Year 4

# Sculpture, structure, inventiveness & determination

- I have seen how we can learn about ourselves through art.
- I can feel safe to take creative risks when I work. I can enjoy the feeling of experimenting with materials.
- I can use a variety of drawing materials to make experimental drawings based upon observation.
- I can construct with a variety of materials to make a sculpture.
- I can see my personality in what I have made.
- I can talk about the work I have made with my classmates, sharing the things I thought were successful and thinking about things I would like to try again.
- I can appreciate the work of my classmates and I can share my response to their work, identifying similarities and differences in our approach and outcomes.
- I can take photographs of my work thinking about presentation, focus and lighting.
