

# Art - Year 5 – Spring 1

## Mixed Media Land and City Scapes

### What we are learning:

- I have seen how artists respond to land and city scapes in various ways by using inventive mixed media combinations.
- I have seen how artists work outside amongst the land and city scapes which inspire them, and how they use all their senses to capture the spirit of the place. I have been able to share my response to their work.
- I can extend my sketchbook thinking creatively about how I can change the pages giving myself different sizes and shapes of paper to work on.
- I can use my sketchbook to explore and experiment. I have taken creative risks and been able to reflect upon what worked and what didn't work.
- I have continued my exploratory work outside the sketchbooks, bringing my "sketchbook way of thinking" to larger sheets of paper.
- I can share my journey and discoveries with others and am able to reflect upon what I have learnt.
- I can appreciate and be inspired by the work of my classmates, and I can share my response to their work.
