

Year 6

Exploring Eastern Europe

Spring 2

We are learning to:

- Use maps to locate the world's countries with a focus on Eastern Europe & South America, concentrating on their environmental regions, key physical & human characteristics, countries, & major cities.
- Use maps, atlases, globes & digital/computer mapping to locate countries & describe features.
- Understanding geographical similarities & differences through the study of human geography of a region of the United Kingdom, a region of Eastern Europe & South America.
- **Vocabulary**
latitude, longitude, co-ordinates, physical features, human geography,
