

Year 6 Art

Summer 1 – 2D drawing to 3D making

Skills and Knowledge

- Understand that there is often a close relationship between drawing and making.
- Understand that we can transform 2d drawings into 3d objects.
- Understand that graphic designers use typography and image to create packaging which we aspire to use.
- Understand that there are technical processes we can use to help us see, draw and scale up our work.
- Look at the work of designers and artists.
- Understand that artists use art to explore their own experience, and that as viewers we can use our visual literacy skills to learn more about both the artist and ourselves.
- Understand we may all have different responses in terms of our thoughts and the things we make. However, our responses may share similarities.
- Understand all responses are valid.
