Evidence Me

Dear Parent/Carer,

You should have received an email with an invitation to join Evidence Me which is the online programme we use for assessment and observation in the Early Years Foundation Stage. Please make sure you check your spam/junk inbox as sometimes emails can get lost in there.

Evidence Me will allow us to share what your child is doing in school. With Parent Share in Evidence Me you will be able to:

- View observations (complete with photos) via the app or web suite, showing you what your child has been learning and the new skills they are developing.
- Send us your comments and feedback by simply adding them to the reports which will help our staff to support your child more effectively in the classroom.
- Upload things that your child has done outside of school that you think the teacher would like to see.

Each week a group of parents will be sent a small number of observations on their child. We will ensure every parent receives observations on their child every 4-6 weeks.

Participation is optional, but we really recommend getting involved. If you have any questions or need any additional information, please do ask.

We look forward to supporting you and your child and are always striving to provide the highest standard of early years education possible. Please visit <http://help.evidence.me/parent-share/help-for-parents/> for further information and guidance.

Yours sincerely,

Mr Marlow

EYFS Phase Leader
