Dear Parent/Carers,

We would like to remind everyone of our school's policy regarding photography and taking videos on school grounds.

Taking photos and videos is strictly prohibited, including when children are entering or leaving the school.

If we see a parent or carer taking photos or videos, we will speak to them directly to reinforce this important policy.

Thank you for your support in creating a safe and respectful school environment for all our children.

Yours sincerely,

Mrs P Blow
