#### **Autumn 2 Newsletter**

#### **Welcome back!**

We hope that you have had a great half term break and are as excited as we are to start Autumn 2: 'Nativity Season.'

### Autumn 2

We will be learning about Seasons and Celebrations. Perhaps you could talk about the different seasons, days of the week and months of the year when your child plays games or when you read books together. Talk about Autumn and Winter and use lots of vocabulary: colours, animals, hibernate, weather and clothing. We will continue to practise turn taking and sharing, encouraging good social skills and building friendships.

#### P.E. Day- Friday

Please ensure that your child's is wearing the appropriate kit particularly as the weather is changing. Please note after the Christmas holiday PE will change to Wednesday.

#### Home Learning

Your child should be reading regularly. I will be checking that your child's reading record book has been signed 5 times per week, this

is a school expectation. They will also need their book bag in school every day.  
Home learning will be handed out on a Thursday and will need to be returned the following Tuesday.

It is expected that your child spends 20 minutes each week completing Numbots which will support their learning in class. Please let me know if you have issues with login on.

Your child's progress and emotional wellbeing are important to me; please make sure that you come and speak to me if you have any concerns or simply want to find out how your child is doing.

Lots happen in the first few minutes of the school day and every child deserves to feel settled and ready to do their best. Please help them by making sure they are on time for school every day.

**Thank you for your support**
