

## Yellow Class Newsletter

# Autumn 1

Welcome back everyone and welcome to all of our new children and families. We hope that you had a restful summer and are ready for a year of learning!

Mrs Hume is the Class Teacher and additional support staff are Mrs Stubbs (Monday-Thursday) and Mrs Laslau (Monday-Friday). The children will also see Miss Doel every Tuesday.

The children have settled into Yellow Class beautifully and have enjoyed engaging in our topic for the term, 'Magic, Marvellous Me'.

We will continue learning about ourselves, our similarities and our differences – all those things that make us special! We will begin speaking about our families and our interests, very soon!

**It would be wonderful, if you could provide us with a family photo! We would like to display these photos in the classroom.**

Our Home Learning will begin coming home this week! Home Learning will go home on a Thursday and is due on a Tuesday. It is a school expectation for the home learning to be completed weekly and this will reinforce the learning we have covered in school. Your support is highly valued and will have a huge impact on your child's learning. Please encourage your child to stick the sheets into their books themselves – this is excellent practise!

You would have also received a Reading Record (please read with your child each night and sign the entry – at least 5 times per week please! This is a school expectation. Children in Yellow Class will receive a hummingbird for their 5 signatures each week.

Your child will receive a Reading for Pleasure Book this half term which you can share with your child. In addition a 'Little Wandle' phonics text will also be sent home in Autumn 2.

We have started our Phonics lessons which is very, very exciting! Please help your child with their learning at home. You will receive a pack of resources shortly. You can also find additional resources on this website to support your child.
