

Dear Morden Families

As you may recall, last year we worked alongside a charity called St Giles who delivered some workshops for parents and then children in Years 3-6 on "Gangs" and "Weapons Awareness: Knife Crime" to educate our young people on anti-social behaviour and consequences.

As a continued commitment to our priority in safeguarding our children, we have managed to secure workshops again with St Giles for our children in Years 3-6. St Giles supports children through education to be proactively preventative, rather than reactive to gangs and violence.

St Giles will be delivering workshops to Years 3-6 on Wednesday 31st January. These workshops will focus on 'Gangs' and the programme has been tailored to these particular year groups. A Senior staff member (A Designated Safeguarding officer – DSL) will be present in all workshops to support children.

Kind regards
