

10.11.23

Dear Parent/Carer,

As part of the National Curriculum, we will be continuing to teach Relationship and Sex Education, (RSE) in Year 4.

The key aims of RSE are to:

- 1 Provide accurate and relevant information about the physical and emotional changes that children and young people will experience through their formative years and into adulthood.
- 2 Establish an awareness of the importance of stable family life and relationships, including the responsibilities of parenthood and marriage.
- 3 Foster self-awareness and self-esteem.
- 4 Develop a sense of responsibility and respect for themselves and others.

There will be a series of 2 lessons which cover simple changes during puberty.

This sensitive and delicate subject will be taught in a child-friendly way with appropriate levels of information for their age group shared in class. Correct scientific vocabulary will be used and explained and the children will have chance to ask questions to clarify misconceptions and misunderstandings.

If you have any queries or questions, please do not hesitate to come and talk to me directly.

Yours sincerely
Piet Barbour
