

Purple Class Newsletter

Summer 1 2024

Hi,

Welcome back to the first half of our Summer term. I hope you had a lovely half term break.

In class

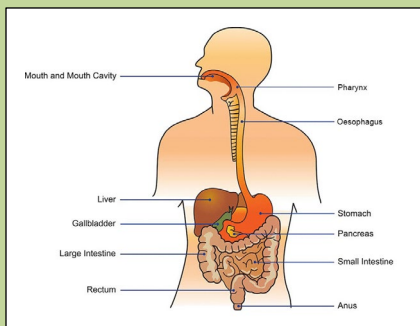

Mrs Dorrian, Mrs Flint and Mrs Noonan are our Teaching Assistants.

Mrs Doel will be taking some lessons on Thursday mornings.

Mr Smith will be taking one PE lesson per week.

Science

In Science we will be learning about **ANIMALS INCLUDING HUMANS**. We will be investigating the functions of teeth and how our digestive system works

Topic

Our Topic focus is Geography this half term and the theme is **'WATER'**. We will be looking at the water cycle and how water gets treated before it comes into our homes.

PE

PE will take place every **Thursday and Friday** and our focus is Cricket and Tennis. **Please ensure your child comes in to school wearing their PE kit on those days.**

Home Learning

Children are expected to read 5 x per week.

Please ensure your child brings in their accelerated reading book and their reading for pleasure book in everyday, with their Reading Record too.

There will be a half term grid linked to our Geography topic, on Google Classroom. Please complete one task each week.

Children will be expected to access **ttrockstars** for Maths. They will also get weekly spellings on Google Classroom.

At the end of Year 4 the children will need to know all the x tables up to 12.

Thanks for your continued support to help your child achieve their goals.

Mrs Barbour

PS Please make sure your child is in school on time. Thanks!
