

# Purple Class Newsletter

Spring 2 2024

Hi,

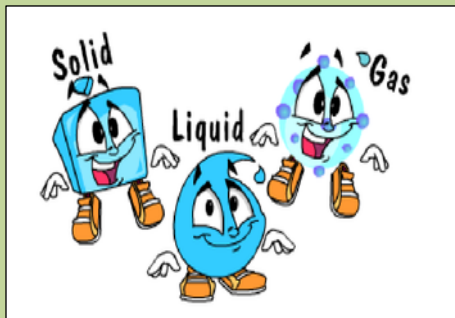

Welcome back to the second half of our Spring term. I hope you had a lovely half term break.

## In class

**Mrs Dorrian and Mrs Flint** are our Teaching Assistants.

## Science

In Science we will be finishing off **STATES of MATTER**, looking at the water cycle. We have studied how some solids melt and if all liquids freeze at the same time. The children have become extremely proficient at carrying out investigations.

## Topic

Our Topic focus is History this half term and the theme is **'Riotous Royalty'**. We will be looking at different Queens and Kings throughout British History and the different ways they ruled.

## PE

PE will take place every **Thursday and Friday** and our focus is Dance and Basketball. **Please ensure your child comes in to school wearing their PE kit on Wednesday and Thursday.**

## Home Learning

Children are expected to read 5 x per week. They will be expected to complete all their tasks on Google Classroom.

There will be a half term grid linked to our History topic. Please complete one task each week.

Children will be expected to access **ttrockstars** for Maths. They will also get weekly spellings on Google Classroom.

At the end of Year 4 the children will need to know all the x tables up to 12.

Thanks in advance for supporting your child with this.

**I hope your children have a fun half term of learning.**

**Mrs Barbour**

**PS Please make sure your child is in school on time. Thanks!**
