From the Teacher

Dear Parents and Carers,

Happy New Year and welcome back to school. I hope you are all well and have had a restful holiday. Children of Year 5 have achieved lots of learning and rewards so far and we will continue to put in our very best efforts as a team to reach our personal best once again, this half-term. On our return to school, we've revived the importance of being organised for school, completing home learning every week in time for each deadline, listening with our whole body and following instructions straight away. We are aiming high to become masters of learning. I feel that the Morden Golden Rule No.4 encompasses these expectations perfectly: **Be Ready!**

Thank you for your continued support. *Mr Tyler*
