

Wednesday 27<sup>th</sup> September 2023

Dear Parents/Carers,

Years 5 and 6 have been given the wonderful opportunity of attending this year's **New Scientist Live** Exhibition at **London Excel** on **Monday 9<sup>th</sup> October** (schools day). The show includes a great programme of talks throughout the day aimed at upper KS2 as well lots of exhibition stands on the show floor, giving pupils the opportunity to get hands-on with the technology of the future and hear from inspiring leading-edge researchers.

This trip is free and we will be travelling by public transport to Custom House – the exhibition centre is a short walk from there. We will be back in time for the end of the school day. If you can help on this trip, please let Mrs Freeman know. We are looking for **one parent volunteer per class** to accompany us.

Please make sure your child wears full school uniform for this trip (no trainers). Your child will need to bring a **packed lunch** and a water bottle. If you would like to order a school provided packed lunch please email confirming your child's name, class and trip to [info@morden.merton.sch.uk](mailto:info@morden.merton.sch.uk) by **Thursday 27<sup>th</sup> September**. We cannot accept any lunch orders after this date.

Please make sure that your child brings a coat to school with them on this day as the weather can be very changeable in Autumn.

It will be a great experience for Silver and Gold Class to deepen their passion and enthusiasm for science, surrounded by inspirational speakers and ideas.

Kind regards,

Mrs R Torreira  
Year 6 Class Teacher  
Phase 3 Leader
