

Wednesday 4th December 2024

Dear Parents and Carers,

In year 6, our history learning focuses on the ancient civilisations. This term, we have been learning about the Ancient Egyptians and next term we will be learning about Ancient Greece. To further develop our understanding and experience of these topics, we will be visiting **The British Museum** on **Monday 13th January 2025**. This will be a self-led visit around the museum, following activity trails to close our unit of work on Ancient Egypt. We will also be taking part in an **iPad Parthenon trail** to launch our unit of work and next writing project all about Ancient Greece. The cost of the **iPad Parthenon trail** is **£3** which has been added to your parent pay account.

We will be travelling to the museum by public transport and will return to school in time for the end of the school day at 3:10pm. On the day of the trip, children will need to bring a packed lunch as we will eat at the museum. Please email the school office by **Wednesday 11th December** if you would like your child to have a school-provided packed lunch.

Please check the weather forecast on the morning of the trip to ensure your child has the appropriate clothing, such as a raincoat or hat if necessary. All children are required to wear their full school uniform, including their school jumper/cardigan and school shoes (no trainers).

Educational visits are a great opportunity for children to extend their learning beyond the classroom and apply skills they have learnt in school in a different context. School trips also help children to develop the values of responsibility and independence as they learn to represent themselves outside of school.

Please speak to the office if you are able to accompany us on this trip.

Mrs Torreiro
Year 6 Teacher
