

Year 6

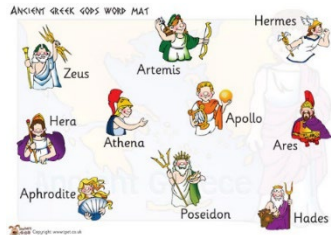

Spring 1

Home Learning Project

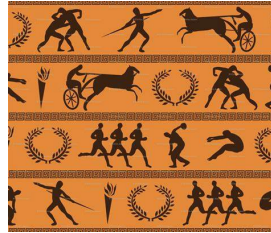

Topic: Ancient Greece

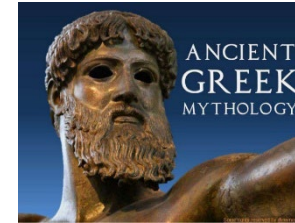

The Parthenon

Gods and Goddesses

Olympic Games

Myths and Legends

Vases

You will need to design and create an **Ancient Greece Fact File**. This will need to be submitted on **Monday 5th February 2024**. You might like to include the following information:

- 🚩 Location in the world (continent, which countries and oceans surround it, climate, etc.)
- 🚩 Historical Celebrities (Alexander the Great – leader; Homer – poet; Pythagoras – scientist)
- 🚩 Drama and theatre – the legacy
- 🚩 Gods and Goddesses
- 🚩 A day in the life ...
- 🚩 Olympic Games (and other festivals and celebrations)

You can choose how to present your information – will you choose to create a poster, booklet or power point? Within your chosen format, will you include pictures, puzzles, quizzes (a Kahoot quiz maybe?), or word searches **as well as written text**. There will be time given during the last week of term to share your Ancient Greece Fact Files and they will be displayed in the classroom.

IMPORTANT NOTICE: Prizes will be given to the most impressive fact files in the following categories:

- Presentation
- Entertainment
- Information
