HEADTEACHER’S MESSAGE

This week we held our first ever Curriculum Information evening – a one-stop shop for all the information parents can use to support their child in learning this year. We had workshops on Phonics, Little Wandle Reading, Maths, Sayers Croft, Internet safety amongst others. Caterlink provided some delicious sample food from our Autumn menu which we thank them for. The PTA were on hand to sell pre-loved uniform and our Governors were available for chats. It was a lovely evening and the feedback has been very positive. Thank you to all those who attended and all who made the evening a success. Any of the slides used in presentations will shortly be available on our school website.

Did you know all Primary school children in London can receive a free school dinner?

If your child currently has packed lunch and you would like your child to receive a school dinner please speak with Mrs Freeman. Remember you can also order a jacket potato if there is a meal your child does not like.

Your child will need to be school dinners everyday as all food has to be ordered in advance.

You cannot supply a packed lunch on certain days as the school will still get charged for the ordered school dinner.

If your child has any allergies you will need to complete an allergy form and return together with medical evidence of this allergy before they can have school dinners.
