HEADTEACHER’S MESSAGE

This week I had the pleasure of escorting our two Year 6 school council representatives to the Merton Children’s Parliament held in the council chambers in the civic centre. Ronnie and Nikkai were excellent ambassadors for Morden Primary and I was very proud of both of them. It is the first one that has been held since Covid, so was a very special occasion. The children all discussed issues that mattered to them and what their schools were focusing on as part of their school councils. After discussing issues ranging from environmental, lunchtimes, charities and the living crisis, the Merton representatives voted on the borough’s focus being to develop local parks and green areas to be more accessible for those citizens with disabilities – moreover, wheelchair users. If the group representing the Merton schools were anything to judge the future by, I think our future citizens are going to be amazing young people. Well done to all, but especially our representatives – Ronnie and Nikkai.
